My "little sister," Amanda and I had a blast with your free ride on a single Surrey this past Saturday.

We want to thank you for your generous contributions to San Diego Big Brother & Sister program.

Thanks again for giving us the gift of fun on one of your cycles, it was a real treat!

Now that I know about your business, I will definitely let others know about this fun way to share time together in downtown San Diego. We even had some tourists think we were pedicabs and ask us if we could give them a ride! What a riot.

Kind Regards,

Kate Mark

I had a great time riding around downtown San Diego. We plan on visiting you again in the near future, especially this summer.

Wheel Fun is great! Everyone was so nice and we had lots of fun going up and down the harbor! My daughter especially liked ringing the bell on our bike.

I wanted to extend my thanks to you for offering me the opportunity to take my little sister Kelsie bike riding. The staff at Wheel of Fun in San Diego were very amiable and made it so much FUN for us to enjoy the ride. Its really awesome to see how organizations such as yours are being so generous to the Big Brothers and Big Sisters program. Thanks again.

Thank you for sponsoring the Big Brother/Big Sister bike day in downtown San Diego. My lil Brother and I had a great time. I haven't heard him laugh like that in a while, we had a blast!! Aloha,

My name is David Huang, and I am a volunteer in the Big Brothers and Sisters Program of San Diego. I just wanted to take a moment to thank you for offering us the free rental day on January 29th. My Little, J.D., and I had a great time riding around the embarcadero on one of your Deuce Coupes! It is a day I am sure we will never forget. Again, thanks for supporting the program. It means a great deal to both the volunteers and the children involved in it.

Take care,

-David David Huang
