

## **Company makes Big partnership with volunteers**

Wheel Fun Rentals kicked off a new program benefiting the Big Brothers Big Sisters of Ventura County at the San Buenaventura State Beach Aug. 11.

The event celebrated the “Biking Buddies” program. The program gives Big Brother and Big Sister volunteers the opportunity to bring the children and teenagers they volunteer with to any of Wheel Fun Rentals’ locations for free. The program is valid at locations in Ventura and Oxnard, as well as at locations in Los Angeles and Orange County. It can be used any time by the volunteers with their Little Brothers or Sisters.

Big Brothers Big Sisters matches adult volunteers with children from 6 through 18 years old. The volunteers serve as mentors, activity partners, and confidants. The organization is still looking for volunteers in Ventura County, where about 144 boys and girls between the ages of 7 and 14 are on a waiting list. To find out how to volunteer call 484-2282 ext. 24 or visit [www.bbsvc.org](http://www.bbsvc.org)
